PLANNERS ASK RECONSIDERATION OF HAMILTON AVENUE SCHOOL SITE

The County Planning Commission has recommended that school authorities reconsider the site of the proposed new Hamilton School on Hamilton near Central at a meeting Wednesday afternoon. The planners asked Chester Root of the commission to arrange a series of conferences with school officials and the planning commission to discuss the matter.

Decision of the planners was based on the fact that the approach ramps for the new highway to be constructed through from Los Gatos would come within a few hundred feet of the school grounds and the possibility of Campbell's incorporation might make property near the school in demand as industrial land. Planners felt that nearness of such industry would be objectionable should the school locate on that site.

In other business, the planners set the date of hearings on a petition by Carl A. Anderson and Alma Anderson to reclassify property on Central Avenue between Campbell and Grant avenues from a single dwelling zone to a multiple dwelling zone. They also postponed hearing on application by John Tripoli for a use permit allowing him to maintain two horses on property located on the northwesterly side of Saratoga Avenue between Cox Avenue and Bucknall Road.

NETOPS ELECT OFFICERS FOR THE NEW YEAR

Officers for the ensuing term of 1952 were nominated and elected at the regular meeting of Netops Council 247, Campbell, last Friday.

Those elected were Mrs. Harold Pawsey, prophetess; Mrs. Mary Gray, Pocahontas; Mrs. Carmin Falco, Wenonah, and Mrs. Marian Pankoski, trustee. Installations for the newly elected officers will be held on the evening of January 25. The ceremonies will be open to the public.

Mrs. Fern Reynolds announced that she had received a large number of gifts to be distributed at the Veterans Hospital.

During the time that refreshments were being served, secret pals made themselves known. A gift was presented to Mrs. Carmin Falco, master pal.

Those serving on the refreshment committee included Mrs. Walter Amstutz, Mrs. Fern Reynolds, and Mrs. Harriet Thorne.

Christmas Vacation

Campbell area schools will start their Christmas vacation on Dec. 22 and in all but one case, will return on Jan. 7. Students of Union will return on January 3.

STATE APPROVAL OF PLANS FOR SECOND CAMBRIAN SCHOOL DELAYED

Approval of plans for a second school in Cambrian school district are being held in abeyance until the district reaches student enrollment of 930. Present enrollment is 720. Tentative plans for the new school, to be located at the intersection of Foxworthy and Ross avenues, call for the construction of 6 school rooms, a multi-use room, maintenance rooms and administration offices.

Cost is estimated at approximately \$175,000. The school district has already purchased the 11 acre site.

Construction at the existing school will enable students to make immediate use of five of the 12 rooms under construction upon their return from Christmas vacation January 7. The remaining rooms are expected to be ready for use sometime during the first two weeks in January. Existing temporary buildings will probably be held in reserve until the construction on the second school is approved and completed.

Youth Center For Cambrian Nears

Realization of a youth center for organizations of the Cambrian district took a step nearer completion this week when plans were announced to move the old school building from its present site on the Cambrian school grounds to property on the north boundary which has been leased by the Cambrian Men's Club. Present plans call for moving the four room structure sometime during the Christmas vacation which will start this week.

The building was given to the Men's Club by Nielsen and Nielsen, contractors working on construction at the school, in order to make facilities for a youth center available. The move is part of a program which is being sponsored by the Men's Club in an effort to gain \$8,000 needed for repair and moving of the old building.

The original school building was constructed in 1910 at a cost of \$7,000. Originally, it consisted of two rooms but an additional two rooms were added in 1916. The building is well known among older residents of the area as a landmark.

Campbell, S. J. Kiwanis Sponsor Willow Glen Club

The Campbell Kiwanis club is acting as co-sponsor with the San Jose Kiwanis Club for the formation of the Kiwanis Club of Willow Glen. An organizational meeting was held in San Jose this week and officers of the new club were elected. Campbell members present at the meeting included Dr. W. R. Morgan, district II governor; Fred Jones, president of the Campbell Club; L. J. Hill, president elect, and Milton Nelson, who has been appointed to work with San Jose and Willow Glen members in organization of the club.

Officers elected during the Tuesday night meeting included Lionel E. Cross, president; James Avila, vice-president and former member of the Campbell club; David D. Blair, secretary, and Roy H. Anderson, treasurer.

W. R. KALSCHED MAKES LOW BID ON ROSEMARY SCHOOL

W. R. Kalsched was low bidder for construction of the Rosemary School, second of Campbell Union School District's projects to get under way. Bid was for \$348,200. The bids were opened by trustees Tuesday night.

Plans for the school include 11 classrooms, a multi-use room, administration building and a kindergarten. School will be located on Hamilton and Eden Avenues.

PT&T Outlines New Rate Basis; Extended Service

As the second step in carrying out the provisions for telephone rate changes authorized by the California Public Utilities Commission on Oct. 8, a "message unit" method for determining charges for station calls by extended service subscribers to other exchanges in the Bay Area will be introduced in Campbell December 21 and will result in substantial savings on such calls.

The third step of the Commission's order will be introduced at a future date when all present local service subscribers will be given "extended service." While at a slightly higher rate than local service, extended service allows the customer toll-free calls to telephones in specified adjacent exchanges.

W. E. Williams, District Manager of the telephone company, said that the "message unit" method of charging for out-of-town calls will mean a saving to extended service subscribers of about 12 percent in charges for most station calls within the San Francisco-East Bay extended area.

In describing the savings, Williams said that for each 5c unit of the present toll charge for these calls, extended service customers will now be charged one "message unit", which is only 4.4c. For example, a call from Campbell, previously costing 25c, now costs only 22c, which is 5 message units.

Campbell subscribers with extended service will also benefit by an important saving in the federal tax on such calls costing 25c or over. The tax will drop from 25 percent to 15 percent, a savings of 10 percent.

"The savings on these calls are made possible in part by the more economical method of showing the total number of message units without itemization on customers' bills. The reduced charges do not apply to collect calls or to those charged to another telephone," Williams reported.

San Francisco-East Bay extended area exchanges to which reduced charges apply to station calls from Campbell telephones with extended service are as follows:

Alvarado, Belvedere, Centerville, Concord, Corte Madera, Decoto, Hayward, Irvington, Lafayette, Los Altos, Millbrae, Mill Valley, Mission San Jose, Moraga, Mountain View, Newark, Niles, Orinda, Palo Alto, Redwood City, Richmond, San Carlos, Belmont, San Francisco, East Bay, San Mateo, Burlingame.

San Rafael, Sausalito, Sharp Park, So. San Francisco, Sunnyvale, Walnut Creek, Warm Springs, Woodside.

Danville (and Diablo) will be added to the list on Jan. 6, 1952.

Municipal Group Lauds Kerr Report

In a letter to Leslie Kerr of the committee for Campbell incorporation, Wilbur Smith, field representative of the League of California Cities, praised the work of Kerr and asked that the group receive additional copies of his reports on incorporation which have been appearing regularly in the Campbell Press. Smith stated that the league was interested in the reports because of the aid they would provide in the group's overall analysis of incorporation and annexation. The league is considering a series of reports which would present the case for incorporation.

The League of California Cities is made up of officials of various incorporated cities who are interested in coordinating efforts and assisting in the problems of the various cities of the state.

M. H. Nelson, Elvin Nelson, Harold Shumway and Clarence Nelson of Nelson Grain and Supply Company are pictured with prizes awarded them by the General Mills Co., for exceeding last year's quota on the sale of feed. A choice of watch or a radio was given for each twenty tons of feed sold over the quota. Four watches and one table model radio were received by the group. Prizes were presented by James Fisher, local field representative of the General Mills Co.

Knights Of Columbus Formed Sunday Afternoon

"A new babe is born" was the theme of Dr. Frank Chuck's institution of the new Bishop's O'Dowd Council of the Knights of Columbus at St. Marys Hall, Los Gatos Sunday afternoon. He opened the meeting by introducing the new guardian for the baby, Grand Knight H. A. Weitzel of Campbell, who in turn introduced the new officers. Following a few words by Mr. Weitzel, Dr. Chuck introduced the visiting dignitaries from the neighboring councils. From San Mateo there were Jack Desconia, Joe Collins, and Jack McQuaide.

From Palo Alto, Francis Wyland, Tom Mullin, and Warren Fox. State chairmen in attendance were the following: J. Banducci, Fred Leneman, Bob Claremont, and Howard Bradley.

Supreme Officers led by Jerry McCabe of Watsonville, George Andre of San Luis Obispo, Dave Supple of San Francisco and Miner Adams of San Mateo.

State Deputy Grand Knight, McCabe, gave a word of welcome to the new council and then a review of K. C. History from its California beginning in 1901 to the present day. He also spoke of the plans for the future and the new council's part in years to come.

A delicious dinner was served to the more than 150 members and guests in attendance. Dancing was enjoyed later in the evening.

New members of the Council are: Grand Knight, H. A. Weitzel; Deputy Grand Knight, J. T. Killen; Warden, Clarence Borg; Chancellor, Cliff Mc Coy; Recording Secretary, Francis Smith; Treasurer, C. W. Schreiber; Advocate, George Gray; Inside Guard, A. M. Barnehill; Outside Guard, R. Kent; Trustees, M. J. Barbica, A. J. Sciotti, and W. Glennon; Lecturer, J. F. Levenberg.

LOCAL MAN HEADS RIDING GROUP

Anthony Turturici of Campbell was elected president of the Mayfair Riders, area horseman's group, at a meeting this week on Reed Avenue, San Jose. Turturici succeeds Dominic Sparacino as president of the group. Installation ceremonies will be held at the next meeting on January 8.

Campbell High Students To Head Area March Of Dimes Campaign

The seven members of the student council of Campbell High School will take over management of the 1952 March of Dimes Campaign for the area lying within the boundaries of the high school district when students return from Christmas vacation on January 7. Only area which will not be managed by the seven member team will be the Burbank district.

ABATE GARAGE DWELLINGS, BOARD IS TOLD

The legality of living in a garage was brought before the Santa Clara County Board of Supervisors Monday by residents of the Esther Ave. when they asked the board to abate use of such dwellings which they had previously allowed because of the housing shortage in 1946 and 1947.

Charges were made that original residents had obtained permits for permanent dwellings but in many cases, had sold the garage dwellings to other purchasers and moved away without constructing homes which they had obtained the permits for.

Attorneys Martin S. Walsh and Richard Morton, defending several of the owners, stated that abatement proceedings would leave the dwellings vacant and result in property confiscation.

Purchasers claimed that they had invested up to \$6000 in the belief that the garages were approved dwellings.

SUPERVISORS SET MARCH 11 AS DATE FOR SPECIAL INCORPORATION ELECTION FOR CAMPBELL DISTRICT

The county board of supervisors have set March 11 as the date of a special election to decide the issue of incorporation for the Campbell area. This latest action was taken by the board Monday following a decision by County Counsel Howard Campen as to the necessary time which must pass between the date of the last protest hearing and the election. Supervisors had approved boundaries for the proposed city at a hearing a week ago.

APPROVAL OF TILSON CENTER IS DELAYED

An error on the part of the county board of supervisors delayed final approval of Subdividers Tilson and Sanfilippo planned shopping center at the intersection of Quito Road and Saratoga Avenue Monday. The board had approved the project by a four to one vote, but later found that they had issued a use permit to the pair. Issuance of use permits is under the jurisdiction of the planning commission and not the board of supervisors.

The subdividers were seeking rezoning of the site of their proposed shopping center to a commercial district. Planners had previously turned down request for rezoning on four separate occasions, but Tilson had appealed the decision to the supervisors each time. The board will take up the matter again on Monday.

Lions Continue Christmas Drive

Members of the Campbell Lions Club will continue their Christmas Cheer Drive the coming week end and will probably distribute baskets of food and clothing to needy families Monday. Purpose of the drive is to gather food and clothing to be given to needy families in the Campbell, Cambrian, and Union school districts. Club members are accepting gifts from private citizens and local merchants.

Names of those filing for offices in the proposed city will also be included on the ballot for incorporation. At that time, candidates for five councilmen, a city clerk and a treasurer will be voted on. Anyone who is an elector of the proposed city may file for office but must do so no later than noon of January 31. First day for filing for office is January 11, 1952.

Setting of the date of election follows more than six months preparation on the part of proponents of the incorporation move. Original action came in June this year when residents of the area became alarmed at the annexation moves of the cities of San Jose and Santa Clara and were apprehensive about the probability of the passage of the urban unincorporated area bill now pending in the state legislature. An incorporation committee was formed following a straw vote of residents of the area which showed a six to one majority in favor of incorporation.

Petitions outlining proposed boundaries of the city and calling for a special election were circulated. Petitions were recalled once and portions of the Cambrian district were eliminated from the area.

Final boundaries, which were approved by the supervisors at protest hearings last week, include an estimated population of 7000 and property, which has an estimated assessed valuation of approximately five million dollars.

Incorporation must be approved by a majority of registered voters in the March 11 election in order to incorporate the city.

Construction Of El Quito Park School Nears

Mrs. Gussie Baker, principle of Moreland School, announced this week that the district expects to advertise bids for the construction of the El Quito Park school to be located on Bucknall and Paseo Presado. The district allotments from the government have been approved and construction is to begin sometime in February.

In other business, the board of trustees accepted the resignation of Mrs. Barbara Ward, fourth grade instructor, who is leaving to join her husband in Benicia where he is teaching a high school class. They have employed Margaret O'Donnell to replace her. Miss O'Donnell will receive her California teaching credentials from San Jose State College this month. She has had three years previous experience teaching in Oregon schools and holds a special secondary credential in music.

Mrs. Baker also announced that work is starting on the Moreland School site development or landscaping plan and that bids will be let this week for additional work.

School children will attend classroom parties today prior to recessing for Christmas vacation. A special presentation of last Saturday's Christmas program was given yesterday for the benefit of the school children.

Careful training and observance of safety codes make telephone drivers among the safest on the road today.

HOW TELEPHONE DRIVERS GUARD YOUR SAFETY

Safe driving is an important part of their job

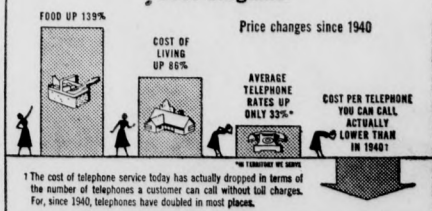

1. Accidents seldom happen when drivers are properly trained, and strictly observe safety codes. That's why telephone drivers have won awards as among the safest on the road. Pacific Telephone drivers can point with pride to their impressive safety record—a record achieved when we had more vehicles on the road than ever before, and during the busiest years in our history.

2. Exacting performance tests must be passed regularly by all telephone employees operating motor vehicles. Under the watchful eye of company examiners, and with the cooperation of local police departments, these road tests stress quick reaction and safe driving. In addition, drivers must pass physical and eye examinations, as well as written and oral tests which insure a full knowledge of the rules of the road.

3. Protecting your safety, and the safety of telephone people, is just one more big responsibility for your telephone company—along with providing more and better service. We're proud of our safety record, maintained, as it has been, through the greatest expansion period in our history. An expansion that has meant adding over 1,800,000 new telephones here in the West since the war. And yet telephone rates have gone up far less than most things, which makes your telephone one of today's best bargains.

Your telephone is one of today's best bargains

Emery Birds Win In Poultry Show

Judge A. J. Emery of Campbell, announced this week that birds owned by him took four prizes in the recent Oklahoma State Poultry Show. Emery, who made the trip back to Oklahoma to witness the show, states that his birds won a second, a fourth, an eighth and a ninth prize in the White Rock division. Birds were among 9000 exhibited at the annual show.

While in Oklahoma, Emery was guest of the National Farm Program on a nation-wide television appearance. Emery told his television audience of the early history of the dairy business in the state and described the conditions existing between the dairy farmers and creameries at the time that Oklahoma was made a state in 1907. He was first dairy commissioner of the state at that time.

During his stay in Oklahoma, he also visited his old-time friend, "Alfalfa" Bill Murray, former governor of the State of Oklahoma and father of the president governor.

On his return from Oklahoma, Emery stopped at Emery Park, Arizona, cooperative poultry development which he founded in 1926.

SHEILA BUSACK BECOMES MRS. LOROLD PATE IN RECENT RITES

Sheila Claire Busack became Mrs. Lorold Eugene Pate at recent ceremonies held in the Campbell Methodist Church before Rev. Herbert W. Neale.

The bride chose a white satin formal gown fashioned with long sleeves and a fitted bodice. She had a chapel train and neckline of the gown was edged with seed pearls. She wore a fingertip illusion veil held in place by a Juliet cap trimmed with additional seed pearls. Mrs. Charles Busack Jr., sister-in-law of the bride, acted as matron of honor gowning in a gold satin outfit similar to the bride's. She carried a matching muf with tulle and roses and a single rosebud at her throat.

The church was decorated with white chrysanthemums and stock arranged about the altar.

Mrs. Charles Busack Sr., chose a navy blue dress for her daughter's wedding while Mrs. Louise Pate witnessed the rites in a purple dress with purple and American beauty accessories and an orchid corsage.

Ronald Flagg of Los Gatos did honors as best man while ushers' positions were filled by Charles Busack Jr. and George Preis. Fred Garrett was vocalist with Mrs. Virginia Rutherford at the organ.

A reception followed the ceremonies in the church parlor. For her going away ensemble, the bride chose a champagne faille suit with peacock blue and black

DID YOU KNOW?
When you give a plant for Christmas, your "Merry Christmas" is permanent. Azaleas, Poinsettias, Cyclamens, Primroses, and the lovely little French heathers, can all be planted outside after their blooming season is over. Won't you ask us about their care? For inside, might we suggest African Violets? We also have a variety of green plants for planters.

A good selection of planters of our own choosing, from .85c to \$6.00.

We still have Xmas trees, wreaths, garlands, and fine boughs for home decorating.
